

Czech Stainless Steel Cable Tray Brands

AI Overview

ARKYS is the largest Czech manufacturer of wire mesh cable trays, while FEMI-CZ and Brilltech Engineers offer extensive stainless steel solutions with customization for industrial projects.

ARKYS

ARKYS has been operating in the Czech market for 25 years and is recognized as the biggest manufacturer and supplier of wire mesh cable trays in the country . Their long-standing presence and specialization in mesh trays make them a strong choice for projects requiring high-quality, durable stainless steel cable management systems.

FEMI-CZ

FEMI-CZ, part of the Niedax Group since 2016, specializes in custom metal cable trunking and standard cable trays for both civil and industrial installations . They offer a wide range of products including ladder trays, mesh trays, and solid bottom trays, with options for customized solutions suitable for large-scale projects in sectors like energy, transport, and oil & gas. Their focus on flexibility, productivity, and innovative solutions makes them a reliable choice for complex installations.

Brilltech Engineers

Brilltech Engineers provides stainless steel cable trays along with ladder, perforated, and PVC options . They emphasize customized solutions and quality control, catering to residential, commercial, and industrial sectors. Their in-house manufacturing and expert team ensure precise production and timely delivery.
