

# How to buy cable trays online

## AI Overview

You can buy cable trays from specialized suppliers, online marketplaces, or industrial distributors, choosing the type and material based on load, environment, and installation requirements.

### Types of Cable Trays

Cable trays come in several forms, each suited for different applications:

- Solid or perforated trays: Provide general support for power, data, and control cables, offering good ventilation and easy access for maintenance .
- Cable ladders: Feature cross-members and are ideal for heavy power cables or long spans .
- Cable trunking: Closed or semi-closed systems, suitable for environments requiring extra protection . The choice depends on cable load, environmental conditions, and whether future expansion is expected.

### Materials

Cable trays are typically made from:

- Steel: Strong and durable, suitable for industrial and commercial applications .
- Stainless steel: Corrosion-resistant, ideal for harsh or outdoor environments .
- Aluminum: Lightweight and corrosion-resistant, often used in commercial or light industrial settings .
- Plastic (halogen-free): Non-conductive and lightweight, suitable for sensitive installations .
