

Inquire about the price of trough-type cable trays

AI Overview

Trough-type cable trays can range from as low as \$0.06 per meter to over \$0.88 per square meter, depending on material, size, and customization options.

Pricing Overview

- **Budget Options:** For large-scale, non-critical indoor installations, basic trough-type cable trays start at \$0.06 per meter, making them ideal for high-volume procurement where premium features are not required .
- **Standard Options:** More commonly, trough-type cable trays are priced around \$0.88 per square meter, offering a balance between cost and durability .
- **Material Influence:** Prices vary significantly based on materials. Fiberglass and stainless steel trays are more expensive due to their specialized properties, while galvanized steel and aluminum are moderately priced .
- **Customization and Accessories:** Adding features like dividers, covers, or fireproof coatings can increase costs. Custom dimensions or OEM specifications also affect pricing .

Factors Affecting Cost

- **Material Type:** Stainless steel and fiberglass are premium, while aluminum and galvanized steel are more cost-effective .
- **Tray Size and Load Capacity:** Larger trays or those designed for heavy cable loads cost more.
