

Jordanian manufacturer of optical fiber cables for smart buildings

Overview

JOCAB manufactures a wide range of quality cables of high performance conforming to INTERNATIONAL STANDARDS in its most modern plant located on Al-Muwaqqar in the Hashemite Kingdom of Jordan to provide total customer satisfaction. From fiber cables to distribution systems - plus reliable energy infrastructure - everything you need under one roof. Fibertech redefines connectivity in Jordan with its multipurpose fiber services, offering speeds ranging from 100 Mbps to 10 Gbps Top-tier fiber. IT infrastructure and security solutions with quality commitment. Leading IT solutions in software, hardware, and networking. It holds ISO 9001:2008 certification, marking a milestone as the inaugural establishment of its kind in the Middle East. As part of a private investment consortium alongside Amwaj. The company is located in Amman. Our company builds the infrastructure for a large-scale fiber network by deploying the existing electrical poles in the areas where JEPCO operates, and linking buildings via smart electrical meters to facilitate remote meter reading automation.
