

Selected Manufacturers of Smart Building Distribution Boxes in Guyanabu

AI Overview

Key manufacturers and suppliers of smart building distribution boxes in Guyana include Eco-Smart Inc., Smart Tech Solutions & Construction, and Zeco Guyana, offering a range of electrical and automation solutions.

Local Manufacturers and Suppliers

1. Eco-Smart Inc. (Roraima Engineering Services) Located in Georgetown, Eco-Smart Inc. provides mechanical and electrical systems for residential, commercial, and industrial buildings. Their electrical engineering team designs and maintains breaker boxes, outlet wiring, and smart electrical circuits, making them a reliable local source for distribution boxes and related infrastructure . They also offer construction management and turnkey solutions, which can integrate smart building systems. 2. Smart Tech Solutions & Construction Founded in 2016, this company specializes in smart automation, advanced security, and turnkey construction projects. They provide certified industrial and residential electrical solutions, including generator installations, climate control, and data infrastructure, which are essential for smart building distribution systems . Their services include integrating intelligent systems into new or renovated buildings. 3. Zeco Guyana Zeco Building Solutions & Supplies focuses on innovative and sustainable building solutions. While primarily a building materials supplier, they collaborate with engineers to provide customized solutions for electrical and smart building systems, including modular and pre-fabricated panels suitable for distribution boxes .
