

Where to find good explosion-proof distribution boxes in North Macedonia

AI Overview

You can find high-quality explosion-proof distribution boxes in North Macedonia from certified suppliers like Supermec, Hexlonex, and Shengyiex, all offering ATEX and IECEx-compliant enclosures for hazardous environments.

Recommended Suppliers

1. Supermec Supermec provides ATEX-certified explosion-proof junction boxes and enclosures suitable for chemical plants, refineries, and offshore platforms. Their EJB A and S series, as well as CSD and GUB A series, are designed for power distribution, monitoring, and safety in hazardous atmospheres with gas or combustible dust . 2. Hexlonex Hexlonex offers durable explosion-proof distribution boxes and electrical enclosures certified for Zone 1 and Zone 2. Their products are IECEx and ATEX compliant, ensuring safety and reliability in industrial applications . 3. Shengyiex (SEXESW) Shengyiex manufactures a wide range of explosion-proof distribution boxes and control stations for Zones 1, 2, 21, and 22. Their SEM(D), SEQD, SEXX, and SEXC series feature stainless steel or fiberglass-reinforced polyester construction, anti-corrosion coatings, and customizable circuit configurations, suitable for oil refineries, chemical plants, and other hazardous areas .

Key Considerations

- Certification: Ensure the boxes are ATEX, IECEx, or GB/T3836 certified for your specific zone (e.g., Zone 1/2 for gas, Zone 21/22 for dust) to comply with safety regulations .
