

Which company makes the best aluminum alloy cable trays in Syria

AI Overview

Cable House and A.P.V Metal Cable Tray are among the leading manufacturers of aluminum alloy cable trays in Syria, offering high-quality, durable, and standards-compliant products.

Cable House

Cable House is a well-established manufacturer in Syria, operating since 1983. They specialize in cable trays made from high-grade materials, including aluminum alloys, and focus on durability, reliability, and long operating life. Their products are manufactured using modern machinery and technology, ensuring compliance with industry norms and suitability for industrial and commercial applications. Cable House also exports globally, reflecting their capability to meet international quality standards .

A.P.V Metal Cable Tray

Founded in 1999 in Damascus, A.P.V Metal Cable Tray is another prominent manufacturer in Syria. They provide a wide range of cable management systems, including aluminum alloy trays, and emphasize European standards compliance and ISO-certified quality management systems. Their experienced team ensures that products are suitable for heavy-duty industrial and infrastructure projects .
