

Wholesale Price of Dual-Mode Fiber Optic Connectors

AI Overview

Dual-mode fiber optic connectors typically range from \$1 to \$5 per unit at wholesale, depending on type, quantity, and manufacturer.

Pricing Overview

The wholesale price of dual-mode fiber optic connectors varies based on connector type (LC, SC, ST, MPO/MTP, FC, etc.), fiber compatibility (single-mode vs multimode), and purchase volume. For bulk orders, prices generally start around \$1-\$2 per connector for standard LC or SC types and can rise to \$4-\$5 per unit for high-density or specialized connectors like MPO/MTP used in data centers and high-speed networks . Large-volume purchases (thousands of units) often qualify for further discounts.

Supplier Options

- CableWholesale offers a wide range of wholesale fiber optic connectors and couplers suitable for dual-mode applications, with bulk pricing available for large orders .
- Mouser Electronics stocks connectors from leading manufacturers such as Amphenol, Broadcom, Molex, and TE Connectivity, providing options for both single-mode and multimode fibers .
- DigiKey provides a variety of connector assemblies compatible with multimode, single-mode, and dual-mode fibers, including LC, SC, MPO, and MT-RJ types .
